

Training Course Programme

Innovative Community-Based HIV Prevention and Treatment Strategies for Key and Priority Populations: Implementation and Evaluation

25-29 March 2019, Zagreb, Croatia

25 March 2019	
9.00-9.30	Welcome and Introductions
9.30-10.15	Importance of community-based HIV service delivery and its key components
10.15-10.35	<i>Break</i>
10.35-11.30	HIV prevention cascade and double-sided HIV cascades for key and priority populations
11.30-12.30	Considerations for targeted HIV testing strategies (analysis of national and subnational data; determining gaps in testing programmes; needs and preferences of target populations)
12.30-13.30	<i>Lunch</i>
13.30-14.15	<i>Country presentations (participants)</i>
14.15-15:10	High-yield HIV testing with examples– 1 (HIV self-testing, home testing, mobile testing, workplace testing, etc)
15.10-15.30	<i>Break</i>
15.30-16.30	High-yield HIV testing with examples– 2 (social network testing, partner notification, community index testing)
26 March 2019	
9.00-9.50	Social network testing that targets people recently infected with HIV
9.50-10.50	Monitoring of HIV testing (data collection systems, developing targets, monitoring progress)
10.50-11.10	<i>Break</i>
11.10-12:10	Evaluation of HIV testing using routinely collected data, cross-sectional surveys and trend analysis
12.10-13.00	<i>Exercise: Evaluation of an HIV testing programme</i>
13.00-14.00	<i>Lunch</i>
14.00-14.45	<i>Country presentations (participants)</i>
14.45-15.30	Linkage to HIV prevention services after HIV testing – monitoring HIV re-testing and uptake of PrEP and other prevention interventions
15.30-15.50	<i>Break</i>
15.50-16.40	Examples of successful “Test and Treat” strategies

27 March 2019	
9.00-10.00	Monitoring linkage to HIV care and treatment services after HIV testing and ART initiation
10.00-11.00	Interventions to increase linkage to HIV care and treatment initiation
11.00-11.20	<i>Break</i>
11.20-12.30	<i>Exercise: Evaluation of linkage to HIV care and ART initiation</i>
12.30-13.30	<i>Lunch</i>
13.30-13.50	Introduction to group/ individual work (either on a community-based HIV intervention/ programme, or evaluation of a community-based HIV intervention)
13.50-15.00	Group/ individual work
15.00-15.20	<i>Break</i>
15.20-16.30	Group/ individual work
28 March 2019	
9.00-10.00	Differentiated ART service delivery for key and priority populations
10.00-11.00	Evaluation of differentiated ART service delivery for key and priority populations
11.00 -11.20	<i>Break</i>
11.20-12.00	Case examples of successful differentiated ART services
12.00-13.00	Group/ individual work
13.00-14.00	<i>Lunch</i>
14.00-15.20	Group/ individual work
15.20-15.40	<i>Break</i>
15.40-17:00	Group/ individual work
29 March 2019	
9.00-10.20	Presentations of group/ individual work
10.20-10.40	<i>Break</i>
10.40-12.30	Presentations of group/ individual work
12.30-13.00	Evaluations and closure
13.00-14.00	<i>Lunch</i>
